Celebrate sunny springtime with your felines with Fat Cat Fluff Bunnies or Springy Worms!

Fluff Bunnies are softer than a cloud, but they pack a secret punch, too! Your cat will be in bunny love with one whiff of the 'nip (our world-famous Zoom Around the Room organic catnip, that is) and be in kitty heaven....

Kitties also go all a-twitter for the irresistible Springy Worms. They're built to bounce, baby. Plus we've thrown in a bit of that high-test catnip to get things hoppin'.

Have a spring fling with your favorite canine by playing fetch with Down on the Farm Dog Toy Rings! No matter how you fling it, flailing this fowl will be fabulous fun. This clucker is built to fly, baby, and so will your dog during the hot pursuit.

Hot Diggity Dog!

Meet Cowboy, the fastest Chihuahua in the west! This lovable pooch actually hails from Tennessee, but we think his dashing duds make him look like a natural Western superstar! The tiny fellow never talks back to his mom and is known for his social disposition. Cowboy has won over all of his mom's friends and can make anyone smile. Just look at his big brown eyes-who wouldn't want to ride off into the sunset with this stud?

Celebrating Eco-friendly Kitties

This spring, your cat can embrace Earth Day celebrations with our environmentally friendly Fat Cat Big Mama's Scratchy Box toy. Created out of recyclable cardboard materials and partnered with our 100% organic "Zoom Around the Room" catnip, this toy guarantees hours of scratching delight! The genuine scratch-n-sniff experience lasts for days and has no mess to clean up. After your kitty has scratched until his heart's content, just drop the box in your recycling container.

Bamboo's FurBuster is truly making an impact across the United States. The *Hartford Courant* is calling the FurBuster a "remarkable new pet-grooming product." The article points out that the tiny teeth of the FurBuster's stainless steel comb make it better at removing excess pet hair than other products of its kind. Part of why the FurBuster is so fantastic is the interchangeable blades, which come in three sizes and allow you to groom small or large cats and dogs. Pets and their owners everywhere love this revolutionary new de-shedding tool!

cat's meow

Not Your Average Kitty!

This four year old kitty named Tufty is one tough feline! Tufty has had numerous corneal abrasions and in July of 2007 had to have his right eye removed. Even with his health issues, Tufty still is a loving, playful pet who loves to socialize with people and cats alike. Tufty is often seen running around the house to the beat of his own kitty drum. His mom admits he is spoiled but she cannot resist his sweet, talkative personality. She says you cannot

walk by Tufty without getting a meow and an outstretched paw.
